

## SIR HENRY AS PREMIER

**New Liberal Government  
May Follow Meeting.**

**BALFOUR WOULD RETIRE**

**Understood the Premier So Wish-  
es and Invites Concurrence  
of Colleagues.**

**ANNOUNCEMENT BE DELAYED**

**In Spite of Statement that Sir Henry  
Will Not Take Office at This Juncture,  
Balfour's Retirement and His  
Acceptance is Considered Probable.**

London, Friday, Dec. 1.—Notwith-  
standing the repeated assertions of the  
liberals, that Sir Henry Campbell, of  
Barnstaple, will not take the office  
at this juncture, it is now generally  
believed the result of the Cabinet meet-  
ing to be held today, will be the herald-  
ing of the Liberal Government, with Sir  
Henry as Premier.

The official announcement of the re-  
sult of today's meeting, will likely be  
delayed for a few days, but the Associ-  
ated Press understands that Balfour, in-  
timated to his colleagues, desires to  
leave the office and invites their con-  
currence.

The probable resignation to the Gov-  
ernment, will be announced Wednesday,  
by the King, after a meeting of the  
Privy Council Tuesday. Sir Henry's ac-  
ceptance of the task is regarded as a  
foregone conclusion.

### THREE LIVES LOST.

Duluth, Nov. 30.—Three men lost  
their lives in the scow, George Herbert,  
which ran ashore at Two Islands. The  
other two men were saved.

### OLSEN BEATS PARR.

Ashesville, N. C., Nov. 30.—Charles  
Olsen defeated James Parr, middle-  
weight, at wrestling tonight, for the  
championship of the world and a bet  
of \$1000.

### TO IMPORT IMMIGRANTS.

Honolulu, Nov. 30.—A. C. L. Atkin-  
son, secretary of the territory of Ha-  
waii, now in Washington, says that un-  
der the ruling made by President Roose-  
velt, Commissioner General of Immigra-  
tion Sargent will allow the territory of  
Hawaii to import assisted immigrants  
except Chinese. This ruling will result  
in the organization of a territorial board  
of immigration.

The sugar plantations will pay the  
expense of the importations of immi-  
grants.

It is reported that Mr. Atkinson will  
resign as secretary of the territory and  
that he will be sent to Europe as agent  
for the new board of immigration. Ital-  
ians are most discussed here as a de-  
sirable class of immigrants.

### FINE IS REMITTED.

San Francisco, Nov. 30.—The case of  
Captain W. W. Harts of the United  
States Engineer Corps, arising from his  
failure to declare dutiable goods, which  
he bought from the Orient on a trans-  
port, has been settled. At the time  
Hart's goods were confiscated and he  
was fined three times their value, or  
nearly \$2000. This was done by order  
of the circuit court. The case was ap-  
pealed to the United States Supreme  
Court, which upheld the decision. Col-  
lector of Customs Stratton has now re-  
ceived an order from the Treasury De-  
partment to return to Harts \$1370 of  
his fine and the goods. Their value of  
\$637, is to be retained.

### ANOTHER STEAMER ASHORE.

Alpena, Nov. 30.—The steamer Ferdi-  
nand Schlessing ran ashore at False  
Presque, during the storm last night.  
The boat is resting easy and the hull is  
in good condition.

## PENNSYLVANIA WINS

**Cornell Plays Better Game But  
is Defeated.**

## CHICAGO BEATS MICHIGAN

**Multnomah Victorious Over the Oregon  
University Eleven—Oregon Agricul-  
tural College Team Too Strong for  
Washington University—Other Games**

Philadelphia, Nov. 30.—Pennsylvania  
today defeated Cornell, in the annual  
football game by a score of 6 to 5, the  
narrow margin of the goal deciding the  
contest. It was only after Cornell,  
weakened by the substitution of play-  
ers, that Pennsylvania was able to cross  
the Ithaca's goal.

After an hour of play, during which  
time the visitors held Pennsylvania in  
check, and really outplayed them, on a  
change of goals after a touchdown,  
Pennsylvania aided by a stiff wind,  
gradually forced the ball down the field  
for a touchdown. Both scores were  
made in the second half. Pennsylvania  
did not play with the accustomed dash,  
while Cornell was in superb condition.

### Chicago Beats Michigan.

Chicago, Nov. 30.—Chicago, 2; Mich-  
igan, 0. Undisputed honor of the West-  
ern football championship was earned  
today by Chicago, by the close score of  
two points, earned on a safety touch-  
down in the second half, by the splendid  
work of Captain Catlin, of Chicago, but  
also on account of the poor judgment  
of Clark, of Michigan, in trying to run  
back of a punt of Eckersall's, which  
barely reached the Michigan goal line.  
He was thrown against the line by  
Catlin, after throwing off two of Chi-  
cago's tacklers, and two points, this  
safety touchdown, was recorded for  
Chicago. The game was devoid of spec-  
tacular features.

### Multnomah Beats Oregon.

Portland, Nov. 30.—The Multnomah  
Club eleven made a touchdown against  
the University of Oregon team today,  
after seven minute of almost perfect  
playing. Oregon was wholly unprepared  
for the whirlwind trick plays and line  
bucks of the clubmen. Multnomah  
kicked the goal, making the score 6 to  
0, which stood to the end. After the  
first onslaught Multnomah's plays seem-  
ed to lose steam, and the line was

## WITTE NOW FACES EVEN GREATER PROBLEM

**TELEGRAPHERS' STRIKE PARALYZES COUNTRY**

**Continuation of the Present Conditions Would Mean  
Nothing Less Than the Industrial Death of  
the Russian Nation.**

**OFFICERS RECEIVE BUT SUPPRESS NEWS OF VICTORY**

**Revolutionists Eagerly Seized the Opportunity to Spread Reports and Wild  
Rumors that the Mutineers Were Completely Victorious Among Soldiers  
and Sailors at the Capital and When the Government Realized the Mis-  
take of Suppressing the News, it Was Too Late to Rectify Error.**

St. Petersburg, Friday, Dec. 1.—The  
official dispatches announcing the crush-  
ing of the mutiny at Sebastopol has  
raised a great load from the heart of  
Witte and his associates.

Yesterday the Cabinet considered an  
even greater problem, the general strike  
of the telegraphers which has complet-  
ely paralyzed the interior communi-  
cations of the empire, and which if con-  
tinued, will mean nothing less than the  
industrial death of Russia.

Rumors are thick tonight that Witte  
has decided to sacrifice M. Durnovo, the  
acting minister of the interior, whose ac-  
tion in discharging the leaders of the  
employees, brought on the strike. It is  
believed, however, Durnovo will be giv-  
ing a final opportunity to rectify the er-  
ror. The situation at St. Petersburg  
was extremely tense yesterday.

In the absence of definite information  
from Sebastopol, the wildest rumors are  
in circulation. The revolutionists eagerly  
seized the opportunity to spread  
reports that the mutineers were com-  
pletely victorious, among the soldiers,  
and sailors here.

When the Government recognized the  
tactical mistake that had been made, in  
holding up the news of the victory at  
Sebastopol, it was too late to undo the  
harm.

### CAPITAL GETS NEWS

**Mutineer Leader Captured After the  
Otkhakov Surrenders.**

St. Petersburg, Dec. 1.—The admiralty  
announces having received a telegram  
from General Kaulbars, containing a  
dispatch from Admiral Chomukin, at  
Sebastopol, which states that after tol-  
erating the seizure of four torpedo  
boats and small craft about the harbor,  
by the mutineers, and the capture of  
the officers of the battleship Panteleimon,  
it was resolved to adopt ener-  
getic measures and prevent the situation  
from being worse.

At 3:30 Wednesday afternoon the  
field artillery opened on the cruiser Ot-  
chakov, commanded by Lieutenant  
Schmidt, and on which were the cap-  
tured officers of the Panteleimon, which  
Schmidt threatened to hang, if he was  
fired on. The Otkhakov fired barely six

shots when she displayed a white flag.  
Following this she caught on fire and  
is still burning. Schmidt was captured  
later.

Kaulbars telegraphed during the night  
that 1500 mutineers had surrendered to  
the Brest regiment, and that the bar-  
acks were occupied by troops.

### Communication Shut Off.

St. Petersburg, Nov. 30.—Communi-  
cation with the outside world ceased this  
afternoon, when a strike was called at  
the general telegraph office. By a ruse,  
however, the management succeeded in  
re-opening the cable, shortly after 6  
o'clock. When the strike went into op-  
eration, many of the Russian operators  
were reluctant to leave but a walking  
delegate smashed a bottle of hydro-  
chloric acid on the floor, and the fumes  
soon drove the men from the keys.

### Close to Million Mark.

New York, Nov. 30.—Thanksgiving  
contributions to the amount of over  
\$25,000, were made today to the Russian  
relief fund. The total to date amounts  
to \$970,000.

### Commander Sinks Ship.

Sebastopol, via Warsaw, Nov. 30.—  
During the battle between the rebel  
and loyal vessels of the Black Sea fleet  
a mining ship, carrying 200 Whitehead  
torpedoes and other explosives, was sunk  
by her commander, who feared he would  
be struck by a shell. Some regiments  
with artillery have arrived from Odessa  
and other places.

### Emperor Not Attacked.

St. Petersburg, Nov. 30.—Wild ru-  
mors to the effect that the emperor has  
been attacked and one of the grand  
dukes wounded, is in circulation today.  
The Associated Press, on the authority  
of a member of his majesty's entou-  
rage, is enabled to deny the rumor.

### Lock-Out at St. Petersburg.

St. Petersburg, Nov. 30.—It is es-  
timated that 100,000 workmen are locked  
out in St. Petersburg. The Cabinet has  
definitely resolved to raise the state  
of martial law in Poland. This will  
probably be announced tonight.

to live.

### JEWS CELEBRATE ANNIVERSARY

**Monster Meeting Held in Carnegie Hall  
in New York.**

New York, Nov. 30.—In celebration  
of the 250th anniversary of the landing  
of the Jews in America, a meeting was  
held in Carnegie hall today, at which  
addresses were delivered by ex-President  
Cleveland Gov. Higgins, Mayor Mc-  
Clellan, Bishop Greer of the Episcopal  
church, Mayor Sulzberg and Rev. Dr.  
Mendez.

President Roosevelt who was unable  
to attend, sent a significant letter. Vice  
President Fairbanks telegraphed his re-  
grets and appreciation of Jewish char-  
acter. Jacob Schiff presided and Dr.  
Frank Danrosch was in charge of the  
musical program.

Addresses were in a congratulatory  
vein and references were made of the  
recent atrocities in Russia, as one of  
the trials, which have beset the Jewish  
people, but which had not daunted their  
spirit, nor stopped their march to suc-  
cess, where political conditions permit-  
ted.

## EIGHT LIVES LOST

**Boat Containing Men Crushed  
in Ice.**

## LEFT DAWSON FOR CIRCLE CITY

**One Man Left Boat and Crawled on a  
Large Piece of Ice and a Moment  
Later the Craft Was Struck and Sunk  
the Man Shortly Disappearing.**

Vancouver, Nov. 30.—Eight men  
were caught in the ice at a jam at Coal  
Creek, below Forty Mile, October 26 and  
drowned. The men left Dawson, Oc-  
tober 25 in a scow for Circle City,  
where they intended to go overland to  
Fairbanks. A person who arrived at  
Dawson yesterday, reported the boat was  
seen to strike a jam about noon, October  
226. The ice was heavy at the time  
and the jam piled up. One man got out  
of the scow and started to crawl over  
the ice toward the shore. A moment  
later the scow was crushed and the men  
on the ice disappeared. The party lost  
was composed of B. F. Sinclair, James  
W. Sullivan, John Lund, C. Johnson,  
and four others whose names are un-  
known, but one of whom is thought to  
be Alexander McLean, a former oar-  
man of this city.

### HOLDING SHIP FOR RANSOM.

Vienna, Nov. 20.—Neue Frie Press  
says the mutineers at Batoum, have  
seized the Austrian Lloyd steamer and  
are holding it for ransom. Count Gol-  
uchowski has protested to the Russian  
Government.

### ALL BUT THE VERDICT.

Annapolis, Nov. 30.—Except for the  
announcement of the verdict after it  
has been passed on by the Secretary of  
the Navy, the Meriwether trial, in-o-far  
as the public is concerned, is at an end.  
Today will be given over almost wholly  
to the arguments of the counsel. James  
M. Munroe and Lieutenant Commander  
J. K. Robinson, spoke in the defense of  
the accused, and Judge Advocate Marx  
and United States District Attorney  
Rose, for the prosecution. At the con-  
clusion of Rose's address the court was  
cleared and the consideration of the  
verdict began.

## SULTAN WILL NOT YIELD

**Powers Abandon Hope of  
His So Doing.**

**NO ACTION DECIDED ON**

**Other Nations are Evidently  
Waiting for English  
proposals.**

**NO RESORT TO ACTUAL WAR**

**England Does Not Believe Other Powers  
Mean Business, and for This Reason  
It is Quite Probable Demonstration  
May Proceed Somewhat Indefinitely.**

London, Nov. 30.—While not officially  
admitted, the powers do not expect the  
Sultan to yield as the result of the oc-  
cupation of Mitylene, it was stated the  
plans for the next step are not arrang-  
ed, the other powers waiting for English  
proposals.

The foreign office informed the As-  
sociated Press though the British Gov-  
ernment did not know exactly what  
length the other powers were willing  
to go, it is certain none of the powers  
wer willing to resort to actual war-  
fare.

This view makes it quite possible the  
demonstration may proceed somewhat  
indefinitely. The Government received  
information from Sofia, through official  
sources, that the Macedonian committee  
has issued practically an ultimatum,  
that unless the demonstration of the  
powers can be carried to a successful  
conclusion, the revolutionaries are pre-  
pared to creat a situation certain to re-  
sult in war between Turkey and Bul-  
garia.

### DISAFFECTION IN ARMY.

St. Petersburg, Nov. 30.—The most al-  
arming indication of the spread of dis-  
affection in the army is given in the  
arrest today at Tver of a  
number of soldiers belonging to the Yel-  
low Cuirassiers, Huzzars, and Life  
Guards, for presenting petitions in-  
cluding one against the use of troops  
for police purposes. The regiments are  
those selected by Treppoff for the guard  
of the emperor and family, and counted  
loyal, even to willingness to be torn  
to pieces in defense of his majesty.

### LOST IN MOUNTAINS.

Misoula, Mont., Nov. 30.—Lost in the  
Mission mountains, hemmed in presu-  
mably by deep snow, with little hopes  
held out for his recovery, if he is still  
alive, is the present predicament of  
John Corron, one of the best known  
young men of Missoula County. Five  
days ago he started out on a hunting  
expedition with some friends. While  
after game he became lost in the hills  
and has not been heard of. A posse  
left this morning to scour the moun-  
tain mountains.

## ENGINEER AND FIREMAN ARE KILLED IN A WRECK

Eureka, Nov. 30.—The crippled steam-  
er Roanoke is making slow progress  
toward San Francisco, but presumably

will arrive there tomorrow. Great dif-  
ficulty is being experienced by the crew,  
in rigging a jury rudder to replace the  
rudder and stern post, lost in the storm.

## CRIPPLED ROANOKE IS MAKING SLOW PROGRESS

Philadelphia, Nov. 30.—The Central  
railroad of New Jersey's New York  
flyer was wrecked at Stony Creek  
near Mauch Chunk, last evening. The  
latest information received by the As-  
sociated Press is that the engineer and  
fireman were killed and about a dozen  
of the passengers injured.
